

LICH DEPARTMENT OF SURGERY

Attending Policy for Thursday Education Conference at DMC

Effective date August 1, 2009

- Since only one Resident will be on premise from 6:30a.m. to 12:30p.m., it is important that the on-call Attending on Thursday be **immediately available** to assist with Emergency Department coverage and service consult coverage. If you are unavailable during this time, you **must** sign out to another Attending and inform the Chief Resident on-call who will be covering you.
- All members of the full-time staff must be available for back-up duty if called upon.
